Confirmation of registraion for the company Urbanbiker S.L., Onzonilla-León/ES
Report number 10001938

Dear Sir or Madam

We hereby confirm that the company Urbanbiker S.L., Onzonilla-León/ES has been registered with INOBAT since the 6 July 2025 for the obligation to report and pay the prepaid disposal fees for batteries placed on the market.

The company Urbanbiker S.L., Onzonilla-León/ES pays the prepaid disposal fee to INOBAT on the batteries placed on the market for the first time (in Switzerland and Liechtenstein). The declaration to INOBAT is based on the principle of self-declaration.

The prepaid disposal fee is a fee set by the Federal Department of the Environment, Transport, Energy and Communications (DETEC), which must be paid to INOBAT by importers and manufacturers of batteries, accumulators and hybrid systems. This fee is used in particular for the collection, transport and recycling of batteries (according to ORRChem, Annex 2.15).

Kind regards,

INOBAT
